- I am an accredited and registered:
 - Leader, Executive Coach, Mentor, Career champion and Mediator:
 - I have completed the *Postgraduate Certificate in Business and Executive Coaching* accredited by the EMCC at Senior Practitioner level [PB Coaching (in conjunction with Leeds Metropolitan University); awarded *Distinction* overall].
 - Healthcare Leadership Model (HLM) 360 facilitator.
 - Medical Protection Society trainer and facilitator.
 - Interview Skills Course (ISC) trainer, facilitator and executive coach.
 - Resuscitation course trainer and instructor [European Trauma Course (ETC); Advanced Paediatric Life Support Course (APLS); European Paediatric Life Support Course (EPLS); Generic Instructor Course (GIC) and Newborn Life Support Course (NLS)].
 - I have both formal and informal research interests and activity throughout my undergraduate and postgraduate training:
 - I was appointed as a Clinical Lecturer in Child Health at the University of Nottingham, where I undertook his PhD (in Developmental Physiology), which was awarded in December 2005 (with no corrections), entitled "*Hormonal and nutritional manipulation of local glucocorticoid action and uncoupling protein-2 in sheep perirenal adipose tissue and lung in foetal and later life*".
 - In addition to the 19 full paper publications, I also have 52 abstracts, 2 case reports, 6 letters and 3 database publications. In addition, I have given 40 oral and 18 poster presentations (at national and international meetings).
-

Medicolegal

I have prepared expert reports for the last 3 years, with predominantly defendant reports in medical negligence cases. I do not generally prepare personal injury reports, but have prepared reports as an expert in criminal proceedings on behalf of the court and defence.
